lower right corner of this drawing.

**Revision Information**

This document was last revised 2013.06.01. The current version should be available at <http://www.tatanka.com/engineering/miscellany/uml/docs/>.

**License and Terms of Use**

This document may be redistributed freely, but only if distribution is done without changes, abridgement, or amendment. Give it away free, charge for it, print it, or post it on the Internet, as long as you comply with these terms. Proper attribution is made by leaving the entire document intact and without modification. Specifically, this work is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported License. To view a copy of this license, visit <http://creativecommons.org/licenses/by-nd/3.0/> or send a letter to Creative Commons, 444 Castro Street, Suite 900, Mountain View, California, 94041, USA.

However, as an exception, if you're just using it to create drawings, then you're free to copy and paste the symbols into your own drawings with no restrictions whatsoever. If you're creating your own drawings by copying the symbols, then you don't need to give me any credit, and you're free to take the individual symbols from this document as they're needed in your drawing.
