I have known Mike and Elizabeth Markins for 3 years, they are both very gentle people and would never cause harm to any one.

Sissie and Ruben have gone out of thier way to cause trouble for Mike and Elizabeth.

The friendship between Sissie and Ruben with Mike and Elizabeth has turned sour for reasons unknown and now Sissie wants to cause problems out of spite and revenge.

Elizabeth has come to me crying that Sissie was taking the wire off the horse corral that the Markings horse is kept in and that Sissie and Ruben threaten to harm the horse that the Markings own.

I told Elizabeth to call for a deputy and file a complaint. She went to Dennis Lowe and he told her he would talk to Sissie.

As far as Mike and Elizabeth as stalkers Nothing could be farther from the truth.
